11. PROTECTION OF THIRD PARTIES

11.1 Enquiry

No purchaser from, or other person dealing with, the Security Trustee or a Receiver shall be concerned to enquire whether any of the powers exercised or purported to be exercised has arisen or become exercisable, whether the Secured Obligations remain outstanding or have become payable, whether the Security Trustee or the Receiver is authorised to act or as to the propriety or validity of the exercise or purported exercise of any power; and the title of such a purchaser and the position of such a person shall not be impeachable by reference to any of those matters and the protections contained in Sections 104 to 107 of the 1925 Act shall apply to any person purchasing from or dealing with a Receiver or the Security Trustee or Section 2(3) of the Insolvency Act to any person dealing with an administrative receiver.

11.2 Receipts

The receipt of the Security Trustee or the Receiver shall be an absolute and a conclusive discharge to a purchaser and shall relieve him of any obligation to see to the application of any monies paid to or by the direction of the Security Trustee or the Receiver.

12. PROTECTION OF SECURITY TRUSTEE AND RECEIVER

12.1 Liability

Neither the Security Trustee nor the Receiver of the Issuer shall be liable to the Issuer in the absence of wilful default, fraud or gross negligence, on their part in respect of any Liability which arises out of the exercise or the attempted or purported exercise of or failure to exercise any of their respective powers.

12.2 Possession

Without prejudice to the generality of Clause 12.3 (Mortgagee in Possession), entry into possession of the Charged Assets of the Issuer shall not render the Security Trustee or the Receiver of that company liable to account as mortgagee in possession, security holder or heritable creditor in possession. If and whenever the Security Trustee or the Receiver enters into possession of the Charged Assets, it shall be entitled at any time to go out of such possession.

12.3 Mortgagee in Possession

Neither the Security Trustee, the Receiver nor the Secured Creditors shall, by reason of any assignment or other Security made under this Deed, be or be deemed to be a mortgagee in possession, security holder or heritable creditor in possession nor shall they take any action (other than, in the case of the Secured Creditors, with the Security Trustee's prior written consent) which would be likely to lead to the Secured Creditors, the Receiver or the Security Trustee becoming a mortgagee in possession, security holder or heritable creditor in possession in respect of any property referred to in this Deed or any Scottish Supplemental Charge or Scottish Sub-Security. The Security Trustee, in its absolute discretion, may at any time serve a written notice on the Secured Creditors requiring the Secured Creditors from the date such notice is served to obtain the Security Trustee's prior written consent before taking any action which would be likely to lead to the Secured Creditors or the Security Trustee becoming a mortgagee in possession, security holder or heritable creditor in possession in respect of any property referred to in this Deed.

13. PROTECTION OF SECURITY

The Issuer further covenants with and undertakes to the Security Trustee from time to time (and, for the purposes mentioned in paragraph (a) below, notwithstanding that the Enforcement Notice may not have been served) upon demand to execute, at the Issuer's own cost, any document or do any act or thing (other than any amendment hereto) which the Security Trustee may specify:

- (a) with a view to registering or perfecting any charge or other Security created or intended to be created by or pursuant to this Deed (including the perfecting of the conversion of any floating charge to a fixed charge pursuant to Clause 14.1 (Notice) or 14.2 (Automatic Crystallisation)); or
- (b) with a view to facilitating the exercise or the proposed exercise of any of their powers or the realisation of any of the Charged Assets; or
- (c) with a view to protecting the Security Interests created by or pursuant to this Deed,

provided that the Issuer shall not be obliged to execute any further documentation or take any other action or steps to the extent that it would breach a restriction in any such agreement to which it is a party relating to assigning, transferring, charging or sharing of possession/rights of such benefit.

14. CRYSTALLISATION

14.1 Notice

Subject to applicable laws, in addition and without prejudice to any other event resulting in a crystallisation of the floating charge created by this Deed or any other right the Security Trustee may have, the Security Trustee may, at any time, if:

- (a) any Event of Default is subsisting and has not been waived; or
- (b) the Security Trustee reasonably believes that the Charged Assets or any part thereof is in danger of being seized or sold under any form of distress, attachment, diligence, or execution levied or threatened or is otherwise in jeopardy or imperilled; or
- (c) any circumstance shall occur which in the reasonable opinion of the Security Trustee, imperils or will imperil the Security created by this Deed or the Issuer takes or threatens to take any action that would be prejudicial to the Security or would be inconsistent with the Security created hereby,

by notice in writing to the Issuer declare that any floating charge hereby created shall be converted into a first specific fixed charge or first ranking fixed security as to all of the undertakings, property and assets or such of them as may be specified in the notice, and by way of further assurance, the Issuer, at its own expense, shall execute all documents in such form as the Security Trustee shall require and shall deliver to the Security Trustee all conveyances, deeds, certificates and documents which may be necessary to perfect or, in respect of Scottish assets and their Related Security, to create and perfect, such first specific fixed charge or first ranking fixed security.

14.2 Automatic Crystallisation

Subject as set out below, in addition and without prejudice to any other event resulting in a crystallisation of the floating charge, any floating charge contained herein shall automatically be converted into a fixed charge over all property, assets or undertakings of the Issuer subject to the floating charge and, in the case of property, assets or undertakings situated in Scotland or which are governed by or subject to Scots law, only to the extent that such conversion would be legally effective in Scotland, if and when:

- (a) an Enforcement Notice is served on the Issuer;
- (b) the Issuer ceases to carry on all or a substantial part of its business or ceases to be a going concern or thereafter to do any of the foregoing;
- (c) the Issuer stops making payments to its creditors or gives notice to creditors that it intends to stop payment;
- (d) the holder of any Security Interest (other than Security Interests created by or pursuant to this Deed) in relation to the Issuer, whether ranking in priority to or *pari passu* with or after the charges contained in this Deed, appoints a receiver; or
- (e) any floating charge granted by the Issuer to any other person (whether permitted by the Transaction Documents or not) crystallises for any reason whatsoever.

The floating charge created by Clause 3.9 (Floating Charge) may not be converted into a fixed charge solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under Part A1 of the Insolvency Act 1986 except with leave of the court.

14.3 Failure of Petition for Administration or Winding-up

If any petition for the administration or winding-up of the Issuer or filing of documents with the court for the administration or service of a notice of intention to appoint an administrator in relation to the Issuer is dismissed or withdrawn or a resolution for winding-up the Issuer is not passed by the necessary majority, then without prejudice to any rights exercisable otherwise than in consequence of the presentation of such petition or the filing of documents or the service of a notice or resolution and subject to anything done in the meantime in pursuance of the powers given by this Deed and subject to the provisions contained in this Deed as to costs, charges and expenses incurred and payments made, possession of the Charged Assets will be restored to the Issuer, and the Issuer and all persons concerned will be remitted to their original rights **provided that** the Security Trustee is satisfied that its security position at that time is not materially different to that as at the date of this Deed.

15. POWER OF ATTORNEY

Immediately upon execution of this Deed, the Issuer shall execute and deliver to the Security Trustee the power of attorney in or substantially in the form set out in Schedule 1 (Issuer Power of Attorney).

16. OTHER SECURITY

16.1 No Merger

The charges or other Security Interests contained in or created pursuant to this Deed are in addition to, and shall neither be merged in, nor in any way exclude or prejudice any other Security Interest, right of recourse, set-off or other right whatsoever which the Security Trustee or any Secured Creditor may now or at any time hereafter hold or have (or would apart from this Deed or any charge contained or created pursuant to this Deed hold or have) as regards the Issuer or any other person in respect of the Secured Obligations, and neither the Security Trustee nor any Secured Creditor shall be under any obligation to take any steps to call in or to enforce any Security for the Secured Obligations, and shall not be liable to the Issuer for any loss arising from any omission on the part of the Security Trustee or any Secured Creditor to take any such steps or for the manner in which the Security Trustee or any Secured Creditor shall enforce or refrain from enforcing any such Security.

16.2 Consolidation

Section 93 of the 1925 Act shall not apply in relation to any of the charges contained in this Deed.

16.3 Ruling Off

If the Security Trustee receives notice of any Security Interest affecting the whole or any part of the Charged Assets or any Security Interests created under or pursuant to this Deed in contravention of the provisions hereof:

- (a) the Security Trustee may open a new account in respect of the Issuer and, if it does not, it shall nevertheless be deemed to have done so at the time it received such notice; and
- (b) all payments made by the Issuer to the Security Trustee after the Security Trustee receives such notice shall be credited or deemed to have been credited to the new account, and in no circumstances whatsoever shall operate to reduce the Secured Obligations as at the time the Security Trustee received such notice.

16.4 Change of Name etc.

This Deed shall remain valid and enforceable notwithstanding any change in the name, composition or constitution of the Security Trustee or the Issuer or any amalgamation or consolidation by the

Security Trustee or the Issuer with any other corporation (whether, in the case of the Issuer, permitted by the Transaction Documents or not).

17. MERGER

Any corporation into which any party to this Deed (other than the Issuer) may be merged or converted, or any corporation with which any party to this Deed may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which any party to this Deed shall be a party, or any corporation, including affiliated corporations, to which the relevant party shall sell or otherwise transfer (a) all or substantially all of its assets; or (b) all or substantially all of its corporate trust business shall, on the date when the merger, conversion, consolidation or transfer becomes effective and to the extent permitted by any applicable laws and subject to any credit rating requirements set out in this Deed become the relevant successor party under this Deed without the execution or filing of any paper or any further act on the part of the parties to this Deed, unless otherwise required by the Issuer, and after the said effective date all references in this Deed to the relevant party shall be deemed to be references to such successor corporation. Written notice of any such merger, conversion, consolidation or transfer shall be given as soon as possible to the Issuer and (following delivery of an Enforcement Notice) the Security Trustee by the relevant party.

18. AVOIDANCE OF PAYMENTS

18.1 No Release

No assurance, security or payment which may be avoided or adjusted under the law, including under any enactment relating to bankruptcy or insolvency and no release, settlement or discharge given or made by the Security Trustee or any Secured Creditor on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Security Trustee or any Secured Creditor to recover the Secured Obligations from the Issuer (including any monies which it may be compelled to pay or refund under the provisions of the Insolvency Act and any costs payable by it pursuant to or otherwise incurred in connection therewith) or to enforce the charges or other Security contained in this Deed to the full extent of the Secured Obligations.

18.2 Retention of Charges

If the Security Trustee shall have reasonable grounds for believing that the Issuer may be insolvent or deemed to be insolvent pursuant to the provisions of the Insolvency Act (and production of a solvency certificate signed by two directors of the Issuer shall be *prima facie* evidence of the solvency of the Issuer) at the date of any payment made by the Issuer to the Security Trustee and that as a result, such payment may be capable of being avoided or clawed back, the Security Trustee shall be at liberty to retain the charges or other Security contained in or created pursuant to this Deed until the expiry of a period of one month plus such statutory period within which any assurance, security, guarantee or payment can be avoided or invalidated after the payment and discharge in full of all Secured Obligations notwithstanding any release, settlement, discharge or arrangement which may be given or made by the Security Trustee on, or as a consequence of, such payment or discharge of liability **provided that**, if at any time within such period, a petition shall be presented to a competent court for an order for the winding up or the making of an administration order or documents shall be filed with the court for the appointment of an administrator or formal notice shall be given of an intention to appoint an administrator in respect of the Issuer or the Issuer shall commence to be wound up or to go into administration or any analogous proceedings shall be commenced by or against the Issuer, the Security Trustee shall be at liberty to continue to retain such security for such further period as the Security Trustee may determine and such security shall be deemed to continue to have been held as security for the payment and discharge to the Security Trustee of all Secured Obligations.

19. SET OFF

The Security Trustee may at any time after an Enforcement Notice has been served on the Issuer (without notice and notwithstanding any settlement of account or other matter whatsoever) combine or consolidate all or any existing accounts of the Issuer (other than any Swap Collateral Account) whether in its own name or jointly with others and held by it or any Secured Creditor and may set off or transfer all or any part of any credit balance or any sum standing to the credit of any such account (whether or not the same is due to the Issuer from the Security Trustee or relevant Secured Creditor and whether or not the credit balance and the account in debit or the Secured Obligations are expressed in the same currency in which case the Security Trustee is hereby authorised to effect any necessary conversions at its prevailing rates of exchange) in or towards satisfaction of any of the Secured Obligations and may in its absolute discretion estimate the amount of any liability of the Issuer which is contingent or unascertained and thereafter set off such estimated amount and no amount shall be payable by the Security Trustee to the Issuer unless and until all Secured Obligations have been ascertained and fully repaid or discharged.

20. EXECUTION OF DOCUMENTS

Any document required to be executed as a deed by the Security Trustee under or in connection with this Deed shall be validly executed if executed as a deed by a duly authorised attorney of the Security Trustee.

21. CONFIDENTIALITY

21.1 Confidentiality of Information

Each party to this Deed agrees that during the term of this Deed and thereafter it shall keep confidential and it shall not disclose to any person whatsoever, any information relating to the business, finances or other matters of a confidential nature of any other party hereto of which it may have obtained as a result of the execution of this Deed or any other Transaction Document of which it may otherwise have come into the possession of as a result of the performance of its obligations in respect of the Transaction.

21.2 Disapplication of confidentiality provisions

The parties to this Deed shall use all reasonable endeavours to prevent any such disclosure referred to in Clause 21.1 (Confidentiality of Information), provided that Clause 21.1 (Confidentiality of Information) shall not apply:

- (a) to the disclosure of any information to any person insofar as such disclosure is expressly permitted by this Deed;
- (b) to the disclosure of any information already known to the recipient otherwise than as a result of entering into any of the Transaction Documents or as a result of a breach of this Clause 21;
- (c) to the disclosure of any information with the consent of all the parties hereto;
- (d) to the disclosure of any information which is or becomes public knowledge otherwise than disclosure being made in breach of this Clause 21 or as a result of the unauthorised or improper conduct of the recipient;
- (e) to the disclosure of any information:
 - (i) to any of the Rating Agencies;

- (ii) in order to obtain the admission of the Notes to the Official List;
 - (iii) in connection with the admission of the Notes to trading on the London Stock Exchange; or
 - (iv) which is necessary or desirable to provide to prospective investors in the Notes;
- (f) to any extent that disclosure is required pursuant to any law or order of any court of competent jurisdiction or pursuant to any direction, request or requirement (whether or not having the force of law) of any central bank or any governmental or other regulatory or taxation authority (including any official bank examiners or regulators or the London Stock Exchange or the FCA or the PRA);
- (g) to the disclosure of any information to any of the parties' Affiliates and any of its or their officers, directors, employees, professional advisers and auditors if any person to whom such confidential information is to be given pursuant to this paragraph (g) is informed in writing of its confidential nature except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of the information or is otherwise bound by requirements of confidentiality in relation to such confidential information;
- (h) to the extent that the recipient needs or wishes to disclose the same for the exercise, protection or enforcement of any of its rights under any of the Transaction Documents or, in the case of the Security Trustee and the Note Trustee, for the purpose of discharging, in such manner as it thinks fit, its duties or obligations under or in connection with the Transaction Documents in each case to such persons as require to be informed of such information for such purposes (including, without prejudice, to any Noteholder or Secured Creditor) or, in the case of the Security Trustee and the Note Trustee, in connection with transferring or purporting to transfer its rights and obligations to a successor trustee; or
- (i) to the disclosure of any information to a prospective successor party and additional or successor parties on the basis that the recipient will hold such information confidential upon substantially the same terms as this Clause 21.

22. EXERCISE OF CERTAIN RIGHTS

22.1 Non-Petition in relation to the Issuer

- (a) Subject to and without prejudice to the provisions of Clause 22.4 (Mandatory Enforcement), each of the Secured Creditors (other than, in the case of paragraph (iii) below, the Note Trustee and the Security Trustee) agrees with the Issuer and the Security Trustee that:
- (i) only the Security Trustee may enforce the Security in accordance with the terms of this Deed;
 - (ii) it will not take any steps or proceedings (including any action in relation to an arrangement or compromise (judicial or otherwise) or lodging an appeal in any proceedings) to procure the winding up, administration or liquidation of the Issuer; and
 - (iii) it will not take any other steps or action against the Issuer or the Charged Assets for the purpose of recovering any of the Secured Obligations (including by exercising any rights of set-off) or enforcing any rights arising out of the Transaction Documents against the Issuer or take any other proceedings (including lodging an appeal in any proceedings) in respect of or concerning the Issuer or the Charged Assets.

- (b) If the Note Trustee, having become bound under the terms of the Conditions, the Trust Deed or this Deed, as the case may be, so to do, has failed to serve an Enforcement Notice or to give directions to the Security Trustee to enforce the Security or the Security Trustee has failed to enforce the Security, in each case, within a reasonable period and that failure is continuing or, if there are no Notes outstanding, then each of the Secured Creditors (other than the Noteholders, to whom the provisions of Condition 12 (Enforcement) shall apply) will be entitled to take any steps or proceedings against the Issuer for the purpose of recovering any of the Secured Obligations or enforcing any rights arising out of the Transaction Documents as it considers necessary other than:
- (i) any steps or proceedings (including any action in relation to an arrangement or compromise (judicial or otherwise) or lodging an appeal in any proceedings) to procure the winding up, administration or liquidation of the Issuer; and/or
 - (ii) any steps or proceedings which would result in the breach of Clause 6 (Payments out of the Issuer Accounts and Application of Cash Prior to Enforcement) and/or Clause 7 (Payments out of the Issuer Accounts upon Enforcement) and/or any term of the other Transaction Documents.

22.2 Limited Recourse

- (a) Each of the Secured Creditors agree that, notwithstanding any other provision of any Transaction Document, all obligations of the Issuer to each such Secured Creditor are limited in recourse to the Charged Assets. If:
- (i) there are no Charged Assets remaining which are capable of being realised or otherwise converted into cash;
 - (ii) all amounts available from the Charged Assets have been applied to meet or provide for the relevant obligations specified in, and in accordance with, the provisions of this Deed; and
 - (iii) there are insufficient amounts available from the Charged Assets to pay in full, in accordance with the provisions of this Deed, amounts outstanding in respect of the Secured Obligations,

then the Secured Creditors shall have no further claim against the Issuer in respect of any amounts due or to be paid to them which remain unpaid and the Issuer shall be deemed to be discharged from making any further payments to the Secured Creditors and any further payment rights shall be extinguished.

- (b) The provisions of this Clause 22.2 shall survive the termination of this Deed.

22.3 Discretionary Enforcement

Subject to the provisions of this Deed, the Security Trustee may at any time, at its discretion and without notice, institute such proceedings and/or take such action as it may think fit against, or in relation to, the Issuer or any other person to enforce its rights under any of the Transaction Documents. Subject to the provisions of this Deed, at any time after the Security has become enforceable, the Security Trustee may, at its discretion and without notice, take such steps as it may think fit to enforce such Security.

22.4 Mandatory Enforcement

- (a) Neither the Note Trustee nor the Security Trustee (including acting on the direction of the Note Trustee) shall be bound to take any steps or to institute any proceedings or to take any other action under or in connection with any of the Transaction Documents (including enforcing the Security constituted by or pursuant to this Deed if it has become enforceable) unless:

- (i) directed to do so by:
 - (A) an Extraordinary Resolution of the holders of the Most Senior Class or in writing by the holders of at least 25% in Principal Amount Outstanding of the Most Senior Class; or
 - (B) in the case of the Security Trustee, if there are no Notes then outstanding, all the Secured Creditors (other than the Noteholders); and
 - (ii) in all cases, it shall have been indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing and the terms of such indemnity may include the provision of a fighting fund, non-recourse loan or other similar arrangement.
- (b) Neither the Note Trustee nor the Security Trustee shall be held liable for the consequences of taking any action under (in case of the Security Trustee) Clause 22.3 (Discretionary Enforcement) or this Clause 22.4 and may do so without having regard to the effect of such action on individual Noteholders or (in the case of the Security Trustee) any other Secured Creditor.

22.5 Enforcing Security

The Noteholders (by their purchase of the Notes) and each of the other Secured Creditors (by their execution hereof) acknowledges that the Security Trustee shall not be bound to take any steps or institute any proceedings after the service of an Enforcement Notice or to take any other action to enforce the Security constituted by this Deed unless the Security Trustee shall have been secured and/or indemnified and/or prefunded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

- (e) the Security Trustee may, in the conduct of its trust business, instead of acting personally, employ and pay an agent to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Security Trustee (including the receipt and payment of money). Subject to Clause 26.2 (Delegation), the Security Trustee (except where such agent is an affiliate or associated company of, the Security Trustee) shall not be responsible for any misconduct, omission or default on the part of any person appointed by it in good faith hereunder or be bound to supervise the proceedings or acts of any such persons;

- (h) the Security Trustee shall be entitled to rely upon a certificate, believed by it to be genuine, signed by two directors or authorised signatories of the Issuer, the Cash Manager, the Servicer or the Seller or any other person in respect of every matter and circumstance for which a certificate is expressly provided for under this Deed or the other Transaction Documents and to call for and rely upon a certificate of the Issuer, the Cash Manager, the Servicer or the Seller or any other person reasonably believed by it to be genuine as to any other fact or matter *prima facie* within the knowledge of the Issuer or such person as sufficient evidence thereof and the Security Trustee shall not be bound in any such case to call for further evidence or be responsible for any loss, Liability, costs, damages, expenses or inconvenience that may be caused by it failing to do so;

- (j) the Security Trustee may call for any certificate or other document to be issued by Euroclear or Clearstream, Luxembourg as to the Principal Amount Outstanding of Notes standing to the account of any person. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's Xact Web Portal system or any successor system) in accordance with its usual procedures and in which the holder of a particular Principal Amount Outstanding of Notes is clearly identified together with the amount of such holding. The Security Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic;

- (k) subject to Clause 22.4 (Mandatory Enforcement) and Clause 8 (Conflict), the Security Trustee shall, in connection with the exercise by it of any of its trusts, duties, rights, powers, authorities and discretions under this Deed and any of the other Transaction Documents:

 - (A) have regard to the interests of the Noteholders as a Class and shall not have regard to any interest arising from circumstances particular to individual Noteholders (whatever their number) and, in particular but without prejudice to the generality of the foregoing, shall not have regard to, or be in any way liable for, the consequences of any exercise or performance thereof for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Security Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Issuer, the Security Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders; and

 - (ii) notwithstanding that none of the Security Trustee and the Noteholders may have any right of recourse against the Rating Agencies in respect of any confirmation given by it and relied upon by the Security Trustee pursuant to this paragraph (ii), the Security Trustee may, among other things, for the purposes of exercising any of its trusts, duties, rights, powers, authorities and discretions under this Deed and any of the other Transaction Documents and determining if such exercise will not be materially prejudicial to the interests of the Noteholders (or any Class thereof), have regard to any Rating Agency Confirmation. It is agreed and acknowledged by the Security Trustee that, notwithstanding the foregoing, a credit rating is an assessment of credit and does not address other matters that may be of relevance to the Noteholders. In being entitled to take into account any Rating Agency Confirmation, it is agreed and acknowledged by the Security Trustee that such reliance does not impose or extend any actual or contingent liability of the Rating Agencies to the Security Trustee, the Noteholders or any other person or create any legal relations between the Rating Agencies and the Security Trustee, the Noteholders or any other person whether by way of contract or otherwise;
- (l) the Security Trustee shall have no responsibility for the maintenance of any rating of the Notes by the Rating Agencies or any other person;
- (m) the Security Trustee shall not be liable for any error of judgment made in good faith by any officer or employee of the Security Trustee assigned by the Security Trustee to administer its corporate trust matters;
- (n) no provision of this Deed or any other Transaction Document shall require the Security Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights or powers or otherwise in connection with this Deed or any other Transaction Document (including forming any opinion or employing any legal, financial or other adviser), if it shall believe that repayment

of such funds or adequate indemnity and/or security and/or pre-funding against such risk or liability is not assured to it;

- (o) notwithstanding anything else contained in these presents or the other Transaction Documents, the Security Trustee may refrain from doing anything which would or might in its opinion be contrary to any law of any jurisdiction (including but not limited to the United States of America, the European Union, the United Kingdom or any jurisdiction forming part of any of them) or any directive or regulation of any agency of any state or which would or might otherwise render it liable to any person and may do anything which is, in its opinion, necessary to comply with any such law, directive or regulation;
- (p) the Security Trustee shall not (unless and to the extent ordered to do so by a court of competent jurisdiction) be required to disclose to any Secured Creditor any information made available to the Security Trustee by the Issuer in connection with the trusts of this Deed or the other Transaction Documents and no Secured Creditor shall be entitled to take any action to obtain from the Security Trustee any such information;
- (q) the Security Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trust as the Security Trustee may determine, including for the purpose of depositing with a custodian this Deed or any documents relating to the trusts created hereunder. The Security Trustee shall not be responsible for any misconduct, omission or default on the part of any person appointed by it in good faith hereunder or be bound to supervise the proceedings or acts of any such persons;
- (r) unless notified to the contrary, the Security Trustee shall be entitled to assume without enquiry that no Notes are held by, for the benefit of, or on behalf of, the Issuer, the Seller or any Affiliate of any of them;
- (s) the Security Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Note purporting to be such and subsequently found to be forged or not authentic;
- (t) the Security Trustee shall not be responsible for any loss, liability, costs, damages, expenses or inconvenience occasioned to the Security however caused, whether by an act or omission of the Issuer or any other party to the Transaction Documents or any other person (including any bank, broker, depositary, or other intermediary or any clearing system or operator thereof) acting in accordance with or contrary to the provisions of any Transaction Documents or otherwise and irrespective of whether the Security is held by or to the order of any such persons;
- (u) the Security Trustee shall not be under any obligation to insure any of the Security or any deeds or documents of title or other evidence in respect of the Security or to require any other person to maintain any such insurance or monitor the adequacy of any such insurance and shall not be responsible for any loss, liability, costs, damages, expenses or inconvenience which may be suffered by any person as a result of the lack of or inadequacy of any such insurance;
- (v) the Security Trustee will not be liable for any decline in value nor any loss realised upon any sale or other disposition pursuant to this Deed of any of the Charged Assets. In particular, and without limitation, the Security Trustee shall not be liable for any such decline, loss or Liability directly or indirectly arising from its acting or failing to act as a consequence of an opinion reached by it in good faith based on advice received by it in accordance with this Deed and the Conditions;

- (w) the Security Trustee shall have no responsibility whatsoever to the Issuer or Secured Creditors as regards any deficiency which might arise because the Security Trustee is subject to any Tax in respect of all or any of the Charged Assets, the income therefrom or the proceeds thereof;
- (x) it is a term of the trust created in these presents, that, except where expressly provided otherwise in the Transaction Documents, any information provided to the Security Trustee under the terms of the Transaction Documents is for information purposes only and the Security Trustee will not and is not expected to routinely review or monitor such information;
- (y) the Security Trustee shall not be responsible for:
 - (i) identifying the occurrence of an Insolvency Event in relation to the Seller or a Servicer Termination Event and shall assume that no such event has occurred unless notified thereof by the Seller in accordance with the provisions of clause 6 (Perfection of the Sale) of the Mortgage Sale Agreement regarding an Insolvency Event in relation to the Seller, or by the Servicer pursuant to clause 21 (Termination) of the Servicing Agreement, regarding a Servicer Termination Event;
 - (ii) serving a Servicer Termination Notice, unless notified by the Servicer or the Issuer of the circumstances entitling it to serve such notice; or
 - (iii) analysing the circumstances which have informed the Servicer or the Issuer when notifying the Security Trustee of a Servicer Termination Event;
- (z) in connection with the Security Trustee's entitlement to take action to terminate the appointment of the Servicer, the Security Trustee:
 - (i) will not be responsible for carrying out the role of Servicer itself during the time the Issuer is attempting to identify such replacement Servicer or thereafter if the Issuer is unable to find such replacement; and
 - (ii) will not be required to take any action to find a replacement Servicer;
- (aa) the Security Trustee shall be entitled to assume that (i) no event has occurred which is a breach of the Servicer's obligations under the Servicing Agreement and (ii) no event has occurred which would, under the terms of the Servicing Agreement or other Transaction Documents, lead to the replacement of the Servicer, unless it is told otherwise as specified in the Transaction Documents;
- (bb) notwithstanding anything in these presents or any other Transaction Document to the contrary, the Security Trustee shall not do, or be authorised or required to do, anything which might constitute a regulated activity for the purpose of FSMA, unless it is authorised under FSMA to do so;
- (cc) the Security Trustee shall have the discretion at any time:
 - (i) to delegate any of the functions which fall to be performed by an authorised person under FSMA to any other agent or person which also has the necessary authorisations and licences; and
 - (ii) to apply for authorisation under FSMA and perform any or all such functions itself if, in its absolute discretion, it considers necessary, desirable or appropriate to do so;

- (dd) nothing in these presents shall require the Security Trustee to assume an obligation of the Issuer arising under any provisions of the listing, prospectus, disclosure or transparency rules (or equivalent rules of any other competent authority besides the Relevant Regulator);
- (ee) any liability of the Security Trustee arising under the Transaction Documents shall be limited to the amount of actual loss suffered (such loss shall be determined as at the date of default of the Security Trustee or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Security Trustee at the time of entering into the Transaction Documents, or at the time of accepting any relevant instructions, which increase the amount of the loss. In no event shall the Security Trustee be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive or consequential damages, whether or not the Security Trustee has been advised of the possibility of such loss or damages and regardless of whether the claim for damages is made in negligence, for breach of contract or otherwise. This paragraph (ee) shall not apply in the event that a court with jurisdiction determines that the Security Trustee has acted fraudulently or to the extent the limitation of such liability would be precluded by virtue of Sections 750 and 751 of the Companies Act 2006;
- (ff) the Security Trustee shall be entitled to take into account, for the purpose of exercising or performing any right, power, trust, authority, duty or discretion under or in relation to these presents or any other Transaction Document (including, without limitation, any consent, approval, modification, waiver, authorisation or determination referred to in Clause 26.7 (Modification to the Transaction Documents) and Clause 26.9 (Authorisation or Waiver of Breach)), among other things, to the extent that it considers, in its sole and absolute discretion, it is necessary and/or appropriate and/or relevant, any confirmation provided by the Rating Agencies (whether or not such confirmation is addressed to, or provides that it may be relied upon by, the Security Trustee and irrespective of the method by which such confirmation is conveyed) that the then current rating by it of the Notes would not be downgraded, withdrawn or qualified by such exercise or performance;
- (gg) where a provision of these presents or the Transaction Documents expressly provides for a confirmation by Rating Agencies to be delivered to the Security Trustee but the Rating Agencies are not willing to issue such a confirmation due to their then prevailing policy regarding the issue of rating confirmations, the Security Trustee shall be entitled to rely on a certificate in writing from (or on behalf of) the Issuer that, in its opinion (and where the Rating Agencies were prepared to consult with the Issuer (or a party on behalf of the Issuer) that this opinion is based on consultation with the Rating Agencies), such exercise or performance would not cause a downgrade to the then current credit ratings of the Notes by the Rating Agencies, and the Security Trustee shall have no responsibility or liability whatsoever for relying on such certificate, notwithstanding that the Rating Agencies may subsequently downgrade, qualify or withdraw the then current rating of the Notes; and
- (hh) in relation to the undertaking given by the Seller to the Issuer in clause 9 (Undertaking of the Seller) of the Mortgage Sale Agreement, the Security Trustee will not be under any obligation to monitor the compliance by the Seller with such covenant and will not be under any obligation to take any action in relation to non-compliance with such covenant (unless otherwise directed by the Secured Creditors in accordance with the Transaction Documents).

- (a) the nature, status, creditworthiness or solvency of the Issuer;
- (b) the title, ownership, value, sufficiency, enforceability, unsuitability, inadequacy, unfitness or existence of any Charged Assets or any security (howsoever described) relating thereto as security for the Secured Obligations;

Subject to the provisions of clause 25.10 (No Indemnity), the Security Trustee shall not be liable or responsible for any Liability or inconvenience which may result from anything done or omitted to be done by it under this Deed or any of the other Transaction Documents.

25.7 Conclusive and Binding Determinations

The Security Trustee as between itself and the Secured Creditors shall have full power to determine all questions and doubts arising in relation to any of the provisions of this Deed and the other Transaction Documents and every such determination, whether made upon a question actually raised or implied in the acts or proceedings of the Security Trustee, shall be conclusive and shall bind the Security Trustee and the Secured Creditors.

 - (ii) no such confirmation from the Rating Agencies is forthcoming within 30 days of such a request and two directors of the Issuer have certified the same in writing to the Note Trustee and the Security Trustee (an **Issuer Certificate**), upon which Issuer Certificate the Note Trustee and the Security Trustee shall be entitled to rely absolutely without liability to any person for so doing, the Note Trustee and the Security Trustee shall be entitled (but not obliged) to assume that such proposed action:

 - (D) (while any of the Notes remain outstanding) would not cause the then current ratings of the Notes to be reduced, qualified, adversely affected or withdrawn.

It is agreed and acknowledged by the Note Trustee and the Security Trustee that this does not impose or extend any actual or contingent liability for each of the Rating Agencies to the Security Trustee, the Note Trustee, the Noteholders or any other person or create any legal relations between each of the Rating Agencies and the Security Trustee, the Note Trustee, the Noteholders or any other person whether by way of contract or otherwise.

26.2 Delegation

The Security Trustee may, in the execution of all or any of the trusts, powers, authorities and discretions vested in it by this Deed or any of the other Transaction Documents, act by responsible officers or a responsible officer for the time being of the Security Trustee. Any such delegation may be made upon such terms and conditions and subject to such regulations (including power to sub-delegate) as the Security Trustee may think fit in the interests of the Secured Creditors or any of them and, **provided that** the Security Trustee shall have exercised reasonable care in the selection of such delegate and, where a power to sub-delegate has been given, to request that the delegate exercise reasonable care in the selection of any sub-delegate, the Security Trustee shall not be bound to supervise the proceedings of, or be responsible for any loss incurred by any misconduct, omission or default on the part of, such delegate or sub-delegate

26.3 Commercial Transactions

The Security Trustee shall not, and no director, officer or employee of any corporation being a trustee hereof shall, by reason of the fiduciary position of the Security Trustee, be in any way precluded from making any contracts or entering into any transactions in the ordinary course of business with the Issuer or Holdings or any other Subsidiary of Holdings or any other party to the Transaction Documents or from accepting the trusteeship of any stock, shares, debenture stock, debentures or securities of any such person. Without prejudice to the generality of the foregoing, it is expressly declared that such contracts and transactions include any contract or transaction in relation to the placing, underwriting, purchasing, subscribing for or dealing with or lending money upon or making payments in respect of any stock, shares, debenture stock, debentures or other securities of the Issuer or Holdings or any other Subsidiary of Holdings or any other party to the Transaction Documents or any contract of banking or insurance with the Issuer or Holdings or any other Subsidiary of Holdings or any other party to the Transaction Documents. Neither the Security Trustee nor any such director or officer of the Security Trustee shall be accountable to any of the Secured Creditors or the Issuer or Holdings for any profit, fees, commissions, interest, discounts or share of brokerage earned, arising or resulting from any such contracts or transactions. The Security Trustee and any such director, officer or employee shall be at liberty to retain the same for its or his own benefit.

26.4 Additional Powers

The powers conferred by this Deed upon the Security Trustee shall be in addition to any powers which may from time to time be vested in it by general law.

26.5 Consent of Security Trustee

If a request is made to the Security Trustee by the Issuer or any other person to give its consent or approval to any event, matter or thing, then:

- (a) if the Transaction Document specifies that the Security Trustee is required to give its consent or approval to that event, matter or thing if certain specified conditions are satisfied in relation to that event, matter or thing, then the Security Trustee shall give its consent or approval to that event, matter or thing upon being satisfied that those specified conditions have been satisfied; and
- (b) in any other case, the Security Trustee may give its consent or approval to that event, matter or thing only if so directed by (i) the Note Trustee, so long as there are any Notes outstanding or (ii) all of the other Secured Creditors, if there are no Notes outstanding.

26.6 Interests of Secured Creditors

Where the Security Trustee is required to have regard to the interests of any Secured Creditor (other than the Noteholders), the Security Trustee may consult with such Secured Creditor and may rely on the written confirmation of such Secured Creditor as to whether any act, matter or thing is or is not in the interests of, or materially prejudicial to the interests of, such Secured Creditor.

26.7 Modification to the Transaction Documents

- (a) The Note Trustee or, as the case may be, the Security Trustee may (or in the case of paragraph (iii) below, shall) at any time and from time to time, with the written consent of the Secured Creditors which are a party to the relevant Transaction Document (such consent to be conclusively demonstrated by such Secured Creditor entering into any deed or document purporting to modify such Transaction Document) but without the consent or sanction of the Noteholders or any other Secured Creditors agree with the Issuer and any other parties in making or sanctioning any modification:
 - (i) other than in respect of a Basic Terms Modification, to the Conditions, the Trust Deed or any other Transaction Document, which in the opinion of the Note Trustee (acting in accordance with the Trust Deed) or, as the case may be, the Security Trustee (acting on the directions of the Note Trustee) will not be materially prejudicial to the interests of the Noteholders or the interests of the Note Trustee or the Security Trustee (subject to clause 8.2(b) above) (Conflict between Noteholders) and, for the avoidance of doubt any modification of the Collection Accounts Declaration of Trust which does not affect the manner in which the Issuer's Loans Beneficiary Trust Share (as defined in the Collection Accounts Declaration of Trust) is calculated will not be materially prejudicial to the interests of the Noteholders or the interests of the Note Trustee or the Security Trustee;
 - (ii) to the Conditions, the Trust Deed or any other Transaction Document if in the opinion of the Note Trustee (acting in accordance with the Trust Deed), or, as the case may be, the Security Trustee (acting on the direction of the Note Trustee), such modification is of a formal, minor or technical nature or to correct a manifest error;
 - (iii) to the Transaction Documents and/or the Conditions that are requested in writing by the Issuer (acting in its own discretion or at the direction of any Transaction Party) in order to enable the Issuer to comply with any applicable requirements under European Regulation 648/2012 of 4 July 2012, known as the European Market Infrastructure Regulation (**EU EMIR**) or **UK EMIR** with which EU EMIR forms part of domestic law in the United Kingdom by virtue of the European Union (Withdrawal) Act 2018, irrespective of whether such modifications are (A) materially prejudicial to the interests of the holders of any Class of Notes or any other Secured Creditor or (B) in respect of a Basic Terms Modification (any such modification, an

EMIR Amendment) and subject to receipt by the Note Trustee and the Security Trustee of a certificate of (I) the Issuer signed by two directors or (II) the Servicer on behalf of the Issuer certifying to the Note Trustee and the Security Trustee that the amendments requested by the Issuer are to be made solely for the purpose of enabling the Issuer to satisfy its requirements under EU EMIR or UK EMIR, as applicable. Neither the Note Trustee nor the Security Trustee shall be obliged to agree to any modification pursuant to this paragraph (iii) which (in the sole opinion of the Note Trustee and/or the Security Trustee) would have the effect of:

- (A) exposing the Note Trustee (and/or the Security Trustee) to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction; or
- (B) increasing the obligations or duties, or decreasing the rights or protections of the Note Trustee (and/or the Security Trustee) in the Transaction Documents, the Conditions, or
- (iv) to any amendment to the Servicing Agreement and/or the Cash Management Agreement and/or any other Transaction Document to which the Servicer or the Cash Manager are a party for the purposes of clause 8.3 (Information Covenants) of the Cash Management Agreement and/or clause 14.4(f) (Reporting and information under the UK Securitisation Framework) of the Servicing Agreement,

provided that in respect of any modification, supplement, waiver or consent in respect of any of the Transaction Documents which would, in the reasonable opinion of the Swap Provider, materially adversely affect: (A) the Pre-Enforcement Priority of Payments, the Post-Enforcement Priority of Payments or the Swap Collateral Account Priority of Payments; (B) the amount, timing or priority of any payments or deliveries due to be made by or to the Swap Provider; (C) the Swap Provider's status as a Secured Creditor; (D) the rights of the Swap Provider in relation to the Security (howsoever described, and including as a result of changing the nature or the scope of, or releasing such Security granted by the Issuer in favour of the Security Trustee on behalf of the Secured Creditors); (E) any other terms which would modify a payment date under any Swap Agreement or cause the Notes to be redeemed in full or the Portfolio to be sold or otherwise disposed of in full (other than as permitted or contemplated by the Transaction Documents as at the date of this Agreement); or (F) the definitions of any terms used in any Transaction Documents relating to the above matters (I) the prior written consent of the Swap Provider (such consent not to be unreasonably withheld or delayed) or (II) written notification from the Issuer or the Servicer on behalf of the Issuer to the Note Trustee and the Security Trustee that the aforementioned Swap Provider consent is not needed as the modifications do not have any of the effects described in sub-paragraphs (A) to (F) above, is also required prior to such amendments being made.

- (b) Notwithstanding anything to the contrary in the Trust Deed or the other Transaction Documents, when implementing any EMIR Amendment pursuant to this Clause 26.7, the Security Trustee and/or the Note Trustee shall not consider the interests of the Noteholders, any other Secured Creditor or any other person, but shall act and rely solely and without further investigation on any certificate provided to it by the Issuer or the Servicer (as the case may be) pursuant to this Clause 26.7 and shall not be liable to any Noteholder or other Secured Creditor for so acting or relying.

26.8 Additional Right of Modification

Notwithstanding the provisions of Clause 26.7 (Modification to the Transaction Documents), the Note Trustee or, as the case may be, the Security Trustee, shall be obliged, without any consent or sanction of the Noteholders or any other Secured Creditor, subject to written consent of the Secured Creditors which a party to the relevant Transaction Documents (such consent to be conclusively demonstrated by such Secured Creditor entering into any deed or document purporting to modify such Transaction Document), to concur with the Issuer in making any modification (other than in respect of a Basic Terms Modification) to the Conditions, the Trust Deed or any other Transaction Document to which

it is a party or in relation to which it holds security or to enter into any new, supplemental or additional documents that the Issuer (in each case) considers necessary in accordance with the provisions of Condition 13.6 (Additional Right of Modification).

26.9 Authorisation or Waiver of Breach

The Note Trustee and/or Security Trustee, as applicable, may, without the consent or sanction of the Noteholders or the other Secured Creditors, without prejudice to its right in respect of any further or other breach, from time to time and at any time authorise or waive, on such terms and conditions (if any) as shall seem expedient to it, any proposed or actual breach of any of the covenants or provisions contained in or arising pursuant to the Conditions or any of the Transaction Documents by any party thereto, but only if in the opinion of the Note Trustee, or as the case may be, the Security Trustee, the interests of the Most Senior Class or if there are no Notes then outstanding, all the Secured Creditors will not be materially prejudiced thereby. Any such authorisation or waiver shall be binding on the Secured Creditors and, unless the Security Trustee otherwise agrees, notice thereof shall be given by the Issuer to the Secured Creditors and to the Rating Agencies in accordance with the Conditions and/or the terms of the Transaction Documents, as applicable, as soon as practicable thereafter.

26.10 Notification of modifications, waivers, authorisations or determinations

Any such modification, waiver, authorisation or determination by the Note Trustee and/or the Security Trustee, as applicable, in accordance with this Clause 26, the Conditions or the other Transaction Documents shall be binding on the Noteholders and, unless the Note Trustee or, as the case may be, the Security Trustee agrees otherwise, any such modification shall be notified by the Issuer to the Noteholders in accordance with the Conditions, the Rating Agencies (while any Notes remain outstanding) and the Secured Creditors as soon as practicable thereafter.

27. REMUNERATION AND INDEMNIFICATION OF THE SECURITY TRUSTEE

27.1 Remuneration

The Issuer shall (subject as hereinafter provided) pay to the Security Trustee annually a fee of such amount and payable on such dates as shall from time to time be agreed in a separate fee letter by the Issuer and the Security Trustee. All such remuneration shall be payable in accordance with the Pre-Enforcement Revenue Priority of Payments or, as the case may be, the Post-Enforcement Priority of Payments. Such remuneration shall accrue from day to day from the date of this Deed and be payable up to and including the date when all of the Secured Obligations have been paid or discharged and the Security Trustee has released, reassigned, retrocessed and/or discharged the Charged Assets as provided in Clause 4.2 (On Payment or Discharge of Secured Obligations).

27.2 Additional Remuneration

In the event of the occurrence of an Event of Default occurring or the Security Trustee considering it expedient or necessary or being requested by the Issuer to undertake any duties which the Security Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Security Trustee under this Deed or the other Transaction Documents, the Issuer shall pay to the Security Trustee at the Security Trustee's then applicable hourly rate such additional remuneration. Any duties in connection with the granting of waivers or modifications, the substitution of the Issuer or the taking of enforcement action and at any time during the period after the taking of such enforcement action shall be deemed to be of an exceptional nature.

27.3 VAT

Without prejudice to Clause 6.6 (VAT), any sum (or other consideration) payable (or provided) by the Issuer pursuant to this Deed shall be deemed to be inclusive of VAT, if any, chargeable on any supply

or supplies for which that sum (or other consideration) is the consideration (in whole or in part) for VAT purposes and Section 89 of the Value Added Tax Act 1994 shall not apply to affect the amount of such sum (or other consideration) payable (or provided) and accordingly no additional amount shall be payable by the Issuer in respect of such VAT.

27.4 Disputes

In the event of the Security Trustee and the Issuer failing to agree:

- (a) (in a case to which Clause 27.1 (Remuneration) applies) upon the amount of any remuneration; or
- (b) (in a case to which Clause 27.2 (Additional Remuneration) applies) upon whether such duties are of an exceptional nature or otherwise outside the scope of the normal duties of the Security Trustee under this Deed or the other Transaction Documents or upon the amount of such additional remuneration,

such matters shall be determined by an independent third party (acting as an expert and not as an arbitrator) selected by the Security Trustee and approved by the Issuer or, failing such approval, nominated (on the application of the Security Trustee) by the President for the time being of the Law Society of England and Wales, (the expenses being involved in such nomination and the fees of such independent third party being payable by the Issuer), and the determination of any such investment bank shall be final and binding on the Issuer and the Security Trustee.

27.5 Expenses

The Issuer shall also pay or discharge all Liabilities, including legal fees, which the Security Trustee or the Receiver of the Issuer may properly incur in relation to the negotiation, preparation and execution of, the exercise or attempted exercise of its powers and the performance of its duties under, and in any other manner in relation to, this Deed, the Security and any of the other Transaction Documents to which the Security Trustee is a party including but not limited to travelling and legal expenses and any stamp, issue, registration, documentary and other similar taxes or duties paid or payable by the Security Trustee or the Receiver of the Issuer in connection with any action taken or contemplated by or on behalf of the Security Trustee for enforcing, or resolving any doubt concerning, or for any other purpose in relation to, this Deed, the Security or any of the other Transaction Documents (including, in each case, any amounts representing Irrecoverable VAT in respect thereof).

27.6 Indemnity

Subject to Clause 25.10 (No Indemnity) and without prejudice to the right of indemnity by law given to trustees, the Issuer shall indemnify on demand the Security Trustee and the Receiver of the Issuer, on an after Tax basis, in respect of all Liabilities (which shall, for the purposes of this provision, include any amounts of remuneration payable by the Issuer to the Security Trustee in accordance with Clauses 27.1 (Remuneration) and 27.2 (Additional Remuneration) above, but not including, for the avoidance of doubt, any tax on income, profit or gain) whether in contract, tort or otherwise now or hereafter to which it (or any Appointee) may be or become liable or which may be properly incurred by it (or any such person as aforesaid) in the execution or purported execution of any of its trusts, duties, rights, powers, authorities and discretions hereunder or its functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to this Deed and any of the other Transaction Documents, or any such appointment (including, in each case, any amounts representing Irrecoverable VAT in respect thereof) and the Security Trustee (and any Appointee) and the Receiver of the Issuer shall be entitled to be indemnified out of the Charged Assets in respect thereof save where the same arises as the result of the fraud, gross negligence, or wilful default of the Security Trustee or its officers or employees. Following the giving of an Enforcement Notice, the Security Trustee may retain any part of any moneys in its hands arising from the trusts of

these presents necessary to effect any indemnity and also to meet the remuneration of the Security Trustee hereinbefore provided and the Security Trustee shall have a lien on the Charged Assets for all moneys payable to it under these presents or howsoever otherwise. The Security Trustee shall not be entitled to be paid twice in respect of the same matter pursuant to this Clause 27.6.

The indemnity contained within this Clause 27.6 shall survive the discharge and release of the whole or any part of the Charged Assets from the Security.

27.7 Interest

All sums payable by the Issuer under Clauses 27.4 (Disputes), 27.5 (Expenses) and 27.6 (Indemnity) shall be payable on the Interest Payment Date following a demand by the Security Trustee and:

- (a) in the case of payments actually made by the Security Trustee prior to the demand, shall (if not paid within seven days of such demand) carry interest at the rate per annum equal to 1% per annum higher than the Bank of England Base Rate for the time being or one per cent. whichever is higher or, if the Security Trustee has incurred a borrowing to make such payment, at the rate of interest payable by the Security Trustee in respect of such borrowing, in each case from the first Business Day following the date of the same being demanded, or incurred, as the case may be, to the date of actual payment (provided that such demand shall be made on a Business Day, otherwise interest shall be payable from the second Business Day following the date of the demand to the date of actual payment); and
- (b) in all other cases, shall carry interest at such rate from the date 30 days after the date of the same being demanded, (or where the demand specifies from the date of such demand) to the date of actual payment.

Any amounts payable pursuant to Clauses 27.1 (Remuneration) and 27.2 (Additional Remuneration) shall carry interest at the aforesaid rate from the due date thereof to the date of actual payment.

27.8 Stamp Duties

The Issuer shall, to the extent permitted by applicable United Kingdom law, pay all stamp duties and other similar duties or taxes (including interest and penalties thereon), including any tax levied under the Stamp Act 1891 as amended and supplemented, (if any) payable on or arising out of or in consequence of:

- (a) the creation of the Security constituted by or pursuant to this Deed; and
- (b) the execution and delivery of this Deed and enforcement of its provisions or the Security and documents executed pursuant hereto and the other Transaction Documents.

27.9 Survival

Unless otherwise specifically stated in any discharge of this Deed, the provisions of this Clause 27 shall continue in full force and effect notwithstanding such discharge and whether or not the Security Trustee is then the Security Trustee or notwithstanding the termination or expiry of this Deed.

27.10 Payments

Notwithstanding anything else in this Clause 27, prior to the enforcement of the Security any payments made by the Issuer to the Security Trustee pursuant to this Clause 27 will only be made on an Interest Payment Date or the Final Redemption Date and at all times in accordance with, and subject to, the Priorities of Payments.

28. APPOINTMENT OF NEW SECURITY TRUSTEE AND REMOVAL OF SECURITY TRUSTEE

28.1 Power of Issuer

The power of appointing a new security trustee shall be vested in the Issuer, provided that such appointment must be approved by an Extraordinary Resolution of the holders of the Most Senior Class and in writing by each Secured Creditor (such approval not to be unreasonably withheld or delayed). A Trust Corporation may be appointed sole security trustee hereof but subject hereto there shall be at least two security trustees hereof. Any appointment of a new security trustee and any retirement or removal of an existing Security Trustee hereof shall as soon as practicable thereafter be notified by the Issuer to the Secured Creditors.

28.2 Power of Security Trustee

Notwithstanding the provisions of Clause 28.1 (Power of Issuer), the Security Trustee may (as attorney for the Issuer) upon giving prior notice to the Issuer but without the consent of the Issuer or the Secured Creditors appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate security trustee or as a co-trustee jointly with the Security Trustee:

- (a) if the Security Trustee considers such appointment to be in the interests of the Secured Creditors (or any of them);
- (b) for the purposes of conforming to any legal requirement, restrictions or conditions in any jurisdiction in which any particular act or acts are to be performed or any Charged Assets is or is to be located; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of this Deed or any of the other Transaction Documents to which the Security Trustee is a party or obligations arising pursuant thereto or any of the security constituted by or pursuant to this Deed.

The Issuer hereby irrevocably appoints the Security Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of this Deed or any of the other Transaction Documents to which the Security Trustee is a party) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Security Trustee by this Deed or any of the other Transaction Documents to which the Security Trustee is a party) and such duties and obligations as shall be conferred or imposed on it by the instrument of appointment. The Security Trustee shall have power in like manner to remove any such person. Such proper remuneration as the Security Trustee may pay to any such person, together with any attributable costs, charges and expenses incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of this Deed be treated as costs, charges and expenses incurred by the Security Trustee.

28.3 Multiple Trustees

Whenever there shall be more than two security trustees hereof, the majority of such security trustees shall (provided such majority includes a Trust Corporation) be competent to execute and exercise all the trusts, powers, authorities and discretions vested by this Deed and any of the other Transaction Documents in the Security Trustee generally.

29. RETIREMENT OF SECURITY TRUSTEE

Any security trustee for the time being of this Deed may retire at any time upon giving not less than 60 days' prior notice in writing to the Issuer without assigning any reason therefor and without being

responsible for any costs resulting from such retirement. The holders of the Most Senior Class may, by Extraordinary Resolution, remove all trustee or trustees (but not some only) for the time being of this Deed and the Trust Deed. The retirement or removal of any security trustee shall not become effective unless there remains at least one security trustee hereof being a Trust Corporation in office upon such retirement or removal. The Issuer covenants that, in the event of a security trustee (being a sole security trustee or the only Trust Corporation) giving notice under this Clause 29 or being removed as referred to in Clause 28.1 (Power of Issuer), it shall use its best endeavours to procure a new security trustee of this Deed (being a Trust Corporation) to be appointed as soon as reasonably practicable thereafter. If the Issuer has not appointed a new security trustee prior to the expiry of the notice period given by the Security Trustee, the Security Trustee shall be entitled to nominate a replacement, being a Trust Corporation provided such appointment will not take effect unless approved by Extraordinary Resolution of the Most Senior Class.

30. NOTICES

30.1 In writing

All notices and other communications to be made under or in respect of this Deed must be in writing and, unless otherwise stated, may be given in person, by post, email or by fax and shall be sent to each relevant party using the details set out in Schedule 1 (Notices) of the Master Definitions and Construction Schedule. Unless it is agreed to the contrary, any consent or agreement required under this Deed must be given in writing.

30.2 Changes

Any party to this Deed may change its contact details by giving five Business Days' notice to the other parties.

30.3 Effectiveness

Any notice or communication given under this Clause 30 but received on a day which is not a Business Day or after 5 p.m. in the place of receipt will only be deemed to be given on the next Business Day in that place. Any notices to be given pursuant to this Deed to any of the parties hereto shall be sufficiently served if sent by prepaid first class post, email, by hand or facsimile transmission and shall be deemed to be given (in the case of facsimile transmission) when despatched, (where delivered by hand) on the day of delivery if delivered before 5 p.m. on a Business Day or on the next Business Day if delivered thereafter or on a day which is not a Business Day, (in the case of email) when received, or (in the case of first class post) when it would be received in the ordinary course of the post.

30.4 Disclosure to the Rating Agencies

The Security Trustee shall, as soon as practicable following receipt of a request in writing from any of the Rating Agencies, provide such Rating Agency with a copy of any notice, written information or report sent or made available by the Security Trustee to the Secured Creditors except to the extent that such notice, information or report contains information which is confidential to third parties or which the Security Trustee is otherwise prohibited from disclosing to such Rating Agency.

31. LANGUAGE

- (a) Any notice given in connection with this Deed must be in English.
- (b) Any other document provided in connection with this Deed must be:
 - (i) in English; or

- (ii) accompanied by a certified English translation. In this case, the English translation prevails unless the document is a statutory or other official document.

32. NON-RESPONSIVE RATING AGENCY

- (a) In respect of the exercise of any power, duty, trust, authority or discretion as contemplated hereunder or in relation to the Notes and any of the Transaction Documents, the Note Trustee and the Security Trustee shall be entitled but not obliged to take into account any Rating Agency Confirmation.
- (b) If a Rating Agency Confirmation or other response by a Rating Agency is a condition to any action or step under any Transaction Document and a written request for such Rating Agency Confirmation or response is delivered to each Rating Agency by or on behalf of the Issuer (copied to the Note Trustee and the Security Trustee, as applicable) and:
 - (i) (A) a Non-Responsive Rating Agency indicates that it does not consider such Rating Agency Confirmation or response necessary in the circumstances or that it does not, as a matter of practice or policy provide such Rating Agency Confirmation or response or (B) within 30 days of delivery of such request, no Rating Agency Confirmation or response is received and/or such request elicits no statement by such Rating Agency that such Rating Agency Confirmation or response could not be given; and
 - (ii) one Rating Agency gives such Rating Agency Confirmation or response based on the same facts,

then such condition to receive a Rating Agency Confirmation or response from each Rating Agency shall be modified so that there shall be no requirement for the Rating Agency Confirmation or response from the Non-Responsive Rating Agency if the Issuer provides to the Note Trustee and the Security Trustee a certificate signed by two directors certifying and confirming that each of the events in paragraphs (i)(A) or (B) and (ii) above has occurred.

- (c) If no such Rating Agency Confirmation is forthcoming within 30 days of such a request and two directors of the Issuer have certified the same in writing to the Note Trustee and the Security Trustee (an **Issuer Certificate**), upon which certificate the Note Trustee and the Security Trustee shall be entitled to rely absolutely without liability to any person for so doing, the Note Trustee and the Security Trustee shall be entitled (but not obliged) to assume that such proposed action:
 - (i) (while any of the Notes remain outstanding) has been notified to the Rating Agencies;
 - (ii) would not adversely impact on the Issuer's ability to make payment when due in respect of the Notes;
 - (iii) would not affect the legality, validity and enforceability of any of the Transaction Documents or any Security; and
 - (iv) (while any of the Notes remain outstanding) would not cause then current rating of the Notes to be reduced, qualified, adversely affected or withdrawn.

It is agreed and acknowledged by the Note Trustee and the Security Trustee that this does not impose or extend any actual or contingent liability for each of the Rating Agencies to the Security Trustee, the Note Trustee, the Noteholders or any other person or create any legal relations between each of the Rating Agencies and the Security Trustee, the Note Trustee, the Noteholders or any other person whether by way of contract or otherwise.

33. FURTHER PROVISIONS

33.1 Evidence of Indebtedness

In any action, proceedings or claim relating to this Deed or the charges or security contained in this Deed or any Scottish Supplemental Charge or Scottish Sub-Security a statement as to any amount due to any Secured Creditor or of the Secured Obligations or any part thereof or a statement of any amounts which have been notified to the Security Trustee as being amounts due to any Secured Creditor which is certified as being correct by an officer of the Security Trustee or an officer of the relevant Secured Creditor shall, save in the case of manifest error, be conclusive evidence that such amount is in fact due and payable.

33.2 Rights Cumulative, Waivers

The respective rights of the Security Trustee, the Secured Creditors and any Receiver are cumulative, and may be exercised as often as they consider appropriate and are in addition to their respective rights under the general law. No waiver of this Deed or any provision(s) of this Deed shall be effective unless it is in writing and executed by (or by some person duly authorised by) each of the parties hereto. No single or partial exercise of, or failure or delay in exercising, any right under this Deed shall constitute a waiver or preclude any other or further exercise of that or any other right.

33.3 Partial Invalidity

The invalidity, illegality or unenforceability of a provision of this Deed does not affect or impair the continuation in force of the remainder of this Deed.

33.4 Severability

Any provision of this Deed which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the Issuer hereby waives any provision of law but only to the extent permitted by law which renders any provision of this Deed prohibited or unenforceable in any respect.

33.5 Counterparts

This Deed may be executed and delivered in any number of counterparts (including by email), all of which, taken together, shall constitute one and the same deed and any party to this Deed may enter into the same by executing and delivering a counterpart (including by email).

33.6 Further Assurance

The Issuer shall (at its own cost) do and execute, or arrange for the doing and executing of, each act, document and thing requested of it by the Security Trustee or any Receiver (including the giving of notices of assignment or assignation and the effecting of filings of registration in any jurisdiction) for perfecting or protecting the Security from time to time and, at any time after the Security or any part thereof has become enforceable, shall do and execute, or arrange for the doing and executing of, each necessary act, document and thing within its power and as may be requested of it by the Security Trustee or any Receiver for facilitating the realisation of, or enforcement of rights in respect of, all of any of the Charged Assets and the exercise of all rights vested in the Security Trustee or in any Receiver in respect of all or any of such Security.

33.7 Amendments

Subject to Clause 26.7 (Modification to the Transaction Documents), any amendment, modification or variation to this Deed may only be made with the prior written consent of each party to this Deed.

33.8 Secured Creditors

Each Secured Creditor (other than the Security Trustee) shall be bound by the provisions of this Deed, the Conditions and the Trust Deed as if it contained covenants by each Secured Creditor in favour of the Security Trustee and every other Secured Creditor to observe and be bound by all the provisions of this Deed expressed to apply to Secured Creditors.

33.9 Assignment

Neither the Issuer nor any of the Secured Creditors (other than the Security Trustee) may assign, encumber or transfer all or any part of its rights or benefits and/or transfer its obligations under or pursuant to this Deed without the prior written consent of the Security Trustee.

33.10 Rights of Third Parties

A person who is not a party to this Deed has no rights under the Contracts (Rights of Third Parties) Act 1999 or the Contract (Third Party Rights) (Scotland) Act 2017 to enforce any term of these presents, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

34. CHOICE OF LAW

34.2 Submission to Jurisdiction

Each party to this Deed hereby irrevocably submits to the exclusive jurisdiction of the English courts in any action or proceeding arising out of or relating to this Deed (including a dispute relating to any non-contractual obligations in connection with this Deed), and hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by the English courts.
