and any such instruction received by the Collection Account Bank shall be an irrevocable instruction.

- (b) The Collection Account Bank shall not be liable for any loss incurred by the Collection Accounts Trustee or any Beneficiary as a result of the Collection Account Bank complying with the instructions given to it in accordance with this Clause 3.1, unless such loss results from the negligence, fraud or wilful default of the Collection Account Bank or of any of its officers, employees sub-agents or sub-contractors.

3.2 Instruction in respect of the Collection Account

The Collection Account Bank agrees and accepts that, upon receipt of an instruction from the Collection Accounts Trustee (which instruction may be delivered from time to time on with effect from the Effective Date) and subject to any instruction to the contrary from the Servicer or (following the delivery of an Enforcement Notice) the Loans Trustee or any other person entitled to deliver an instruction, in each case in accordance with Clause 11, it shall transfer to the Loans Beneficiary Account:

- (a) on each Business Day (other than the Business Day on or immediately following the date on which the Collection Accounts Trust has been terminated pursuant to the Collection Accounts Declaration of Trust), the aggregate amount of Available Funds standing to the credit of the PMF 2026-1 Collection Account that are available to be withdrawn at that time in excess of the DD Retained Balance, provided that the Collection Accounts Trustee has delivered an instruction to the Collection Account Bank in respect of such transfer on or prior to the relevant Business Day; and

3.3 BACS Amounts

- (a) The Collection Account Bank shall use reasonable endeavours:

3.5 No encumbrances

The Collection Account Bank will notify the Collection Accounts Trustee as soon as reasonably practicable if it becomes aware of any Encumbrance created over or existing in relation to any Collection Account.

4. NO LIMITATIONS ON WITHDRAWALS

- (a) Notwithstanding any other term of this Agreement or any other agreement to which the Initial Loans Beneficiary is a party, if at any time the Collection Account Bank receives notice that, in respect of the PMF 2026-1 Collection Account:

- (i) any amount credited to the PMF 2026-1 Collection Account:
- (A) has not been received by it as Available Funds or has been returned unpaid,
 - (B) has otherwise been recalled, or
 - (C) has been the subject of an indemnity claim against the Collection Account Bank or otherwise incurred a liability for the Collection Account Bank under the Direct Debiting Scheme; and
- (ii) any amount credited by the Collection Account Bank to the PMF 2026-1 Collection Account has been returned unpaid, been recalled or been reversed or otherwise reclaimed,

(each, a **PMF 2026-1 Collection Account Unpaid Amount**), the Collection Account Bank shall debit the PMF 2026-1 Collection Account Unpaid Amount from the amounts standing to the credit of the PMF 2026-1 Collection Account in accordance with its normal operating practices and procedures, without having regard to the fact that the PMF 2026-1 Collection Account may become overdrawn as a result of that debit.

If the Collection Account Bank debits a PMF 2026-1 Collection Account Unpaid Amount from the PMF 2026-1 Collection Account and there is a debit balance on the PMF 2026-1 Collection Account which arises due to the deduction (a **PMF 2026-1 Collection Account Resulting Overdraft**), to the extent that the liability is not settled by funds subsequently paid into the PMF 2026-1 Collection Account, the Loans Beneficiary shall be liable to the Collection Account Bank in respect of the PMF 2026-1 Collection Account Resulting Overdraft.

For the avoidance of doubt, the Collection Account Bank shall be under no obligation to monitor any Collection Account for this purpose.

- (b) The parties hereto acknowledge that the Initial Loans Beneficiary is a beneficiary of the Non-DD Collection Account Declaration of Trust and agree that if the Non-DD Collection Account is debited as a result of:

- (i) any amount not being received in the Non-DD Collection Account in cleared funds or has otherwise been recalled; or
- (ii) any fees and charges due to the Originator Account Bank in respect of the Non-DD Collection Account under the Non-DD Collection Account Declaration of Trust,

and the same results in a debit balance on the Non-DD Collection Account (a **Non-DD Resulting Overdraft**), to the extent that any such Non-DD Resulting Overdraft (i) arises as a result of, or is attributable to, the Loans and/or their Related Security, and (ii) has not been otherwise paid to the Originator Account Bank in accordance with the terms of the Non-DD Collection Account Declaration of Trust (including the notice and acknowledgement given by and from the Originator Account Bank in accordance with the terms thereof), then the Loans Beneficiary shall be liable to the Originator Account Bank in respect of such Non-DD Resulting Overdraft, but only to the extent that the same relates to the Loans and/or their Related Security. The Loans Beneficiary shall promptly on request confirm in writing to the Originator Account Bank if a Non-DD Resulting Overdraft has arisen as a result of, or is attributable to, the Loans and/or their Related Security. For the avoidance of doubt, the Loans Beneficiary shall not be liable for any amount arising from a Non-DD Resulting Overdraft to the extent that the same is attributable in respect of any receivables beneficially owned by any other legal entity in respect of which a collection account is held in the name of the Collection Accounts Trustee with the Collection Account Bank (including any New Beneficiary Receivables) or any other amounts, save to the extent the same relates to the Loans and/or their Related Security and, in respect of paragraph (ii) above, the Initial Loans Beneficiary shall only be liable for its *pro rata* share of the fees and charges due to the Originator Account Bank (calculated on the date that the Non-DD Resulting Overdraft occurs by reference to the amounts standing to the credit of the Non-DD Collection Account on that day that are referable to the Loans as a percentage of the total amount standing to the credit of the Non-DD Collection Account on that day).

- (c) Notwithstanding the provisions of this Clause 4, in the event that the Collection Account Bank automatically debits any amount which the Loans Beneficiary is liable to pay pursuant to paragraph (a) above from the PMF 2026-1 Collection Account, the Collection Account Bank shall, as soon as it becomes aware of such automatic debit having been made from such Collection Account, pay into that Collection Account the amount of such automatic debit if the Collection Account Bank is aware that such amount would not have been paid to it in accordance with the relevant Priority of Payments on the immediately succeeding Interest Payment Date
- (d) The Collection Accounts Trustee agrees to reimburse the Initial Loans Beneficiary for all amounts paid by the Initial Loans Beneficiary to the Collection Account Bank which constitutes a Non-DD Resulting Overdraft under paragraph (ii) of Clause 4(c) above.

5. REPRESENTATIONS AND WARRANTIES

The Collection Account Bank represents and warrants, for the benefit of the Collection Accounts Trustee and the Beneficiaries, as at the date of this Agreement and on a continuing basis, that:

- (b) without prejudice to Clauses 4 and 8, agrees that it shall not exercise any lien over or set-off, transfer, combine or withhold payment of any sum standing to the credit of each of the Collection Accounts in or towards or conditionally upon satisfaction of any liabilities to it of the Collection Accounts Trustee or any other person and, in the event that the Collection Account Bank breaches the foregoing obligations, then the Collection Account Bank shall immediately re-credit the relevant Collection Account with the amount required to restore the balance on such account to that which it would have been if no such breach had occurred and the other parties hereto agree that such re-crediting shall discharge the Collection Account Bank's liabilities for such breach in full.

7. RELIANCE, LIABILITY AND INDEMNITY

7.1 Reliance

The Collection Account Bank shall be entitled to comply with or rely upon any certificate, consent, notice, direction or other communication which is or it believes in good faith to be given by the Loans Beneficiary pursuant to and in accordance with the terms of the relevant Account Mandate. Subject to Clause 11, if the terms of any such certificate, consent, notice, direction or communication conflict with the terms of the relevant Account Mandate, the terms of the relevant Account Mandate shall prevail.

7.2 Indemnity

The Loans Beneficiary shall, subject to Clause 8, indemnify and keep the Collection Account Bank indemnified on written demand against any loss, cost, damage, charge or expense, action, proceeding, claim or demand, suffered or properly incurred by or made or brought against the Collection Account Bank in complying with or relying upon any certificate, consent, notice, direction or communication in respect of each of the Collection Accounts and the failure by any party (other than the Collection Account Bank) to make payment of any amount when due, save that this indemnity shall not extend to (a) any loss, cost, damage, charge or expense arising from any breach by the Collection Account Bank of the terms of the relevant Account Mandate (b) from the fraud, wilful default or negligence of the Collection Account Bank or (c) for any loss of profit, goodwill, reputation, business opportunity or anticipated saving, or for special or consequential damages.

7.3 No liability

provided that the Collection Account Bank shall, notwithstanding that in accordance with paragraph (b) above it is relieved from its obligations under this Agreement, take all reasonable steps available to it to procure that the event referred to in paragraph (b) above ceases to exist and take all practical steps to minimise any loss resulting from any such event.

8. FEES, COSTS AND EXPENSES

8.1 Administrative costs

- (a) The Loans Beneficiary agrees to pay the reasonable administrative costs of the Collection Account Bank (to be agreed in writing between the Collection Account Bank and the Collection Accounts Trustee, from time to time) in respect of the banking services provided to the Collection Accounts Trustee in relation to each of the Collection Accounts and the taking of any further action required to be taken pursuant to Clauses 10.2(b) or 13 (Further Assurance).

9. VAT

- 9.1 Any sum (or other consideration) payable (or provided) by the Loans Beneficiary or the Collection Accounts Trustee (as applicable) to the Collection Account Bank pursuant to this Agreement shall be deemed to be exclusive of any VAT chargeable on any supply or supplies for which that sum (or other consideration) is the consideration (in whole or in part) for VAT purposes.

10.1 Resignation of the Collection Account Bank

The Collection Account Bank shall give not less than 30 days' written notice to the Collection Accounts Trustee of its intention to terminate the banking arrangements granted under this Agreement on the date specified in such notice, unless the resignation arises out of any fraud committed by any party to this Agreement other than the Collection Account Bank, or where necessary as a result of any Requirement of Law (including requirements relating to sanctions) to which the Collection Account Bank is subject, in which case the Collection Account Bank shall give notice of its intention to resign in accordance with a notice period which it determines is reasonable in the circumstances.

18. EXERCISE OF RIGHTS

18.1 Non-petition in relation to the Loans Beneficiary

Notwithstanding any provision of this Agreement, each of the parties to this Agreement acknowledges and agrees (other than the Loans Beneficiary and its related Loans Trustee) that:

- (a) it will not take any steps or proceedings to procure the winding-up, administration or liquidation of the Loans Beneficiary; and
- (b) it will not take any other steps or action against the Loans Beneficiary for the purpose of recovering any of the obligations owing to it (including by exercising any rights of set-off but without prejudice to the Collection Account Bank's rights to make deductions in accordance with the terms of this Agreement) or enforcing any rights arising out of this Agreement against the Loans Beneficiary or take any other proceedings (including lodging an appeal in any proceedings) in respect of or concerning the Loans Beneficiary.

18.2 Limited recourse against the Loans Beneficiary

Each party to this Agreement agrees that, notwithstanding any other provision of this Agreement, all obligations of the Loans Beneficiary owing to it are limited in recourse to its assets. If:

- (a) there are no assets remaining which are capable of being realised or otherwise converted into cash to satisfy the obligation;
- (b) all amounts available from the assets have been applied to meet or provide for the relevant obligation; and
- (c) there are insufficient amounts available from the assets to pay in full amounts outstanding in respect of the obligation,

then the parties to this Agreement shall have no further claim against the Loans Beneficiary in respect of any amounts due or to be paid to them which remain unpaid and none of the parties to this Agreement may take any further action to recover such amounts and the Loans Beneficiary shall be deemed to be discharged from making any further payments to the parties to this Agreement and any further payment rights shall be extinguished.

This Clause 18 shall survive the termination of this Agreement.

A person who is not a party to this Agreement shall have no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from the Contracts (Rights of Third Parties) Act 1999.

To the extent permitted by applicable law, the Loans Beneficiary hereby waives any provision of law but only to the extent permitted by law which renders any provision of this Agreement prohibited or unenforceable in any respect.

Each party to this Agreement hereby irrevocably waives, to the fullest extent it may possibly do so, any defence or claim that the English courts are an inconvenient forum for the maintenance or hearing of such action or proceeding.

25. MERGER

Any corporation into which any party to this Agreement (other than the Issuer) may be merged or converted, or any corporation with which any party to this Agreement may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which any party to this Agreement shall be a party, or any corporation, including affiliated corporations, to which the relevant party shall sell or otherwise transfer (a) all or substantially all of its assets; or (b) all or substantially all of its corporate trust business shall, on the date when the merger, conversion, consolidation or

transfer becomes effective and to the extent permitted by any applicable laws and subject to any credit rating requirements set out in this Agreement become the relevant successor party under this Agreement without the execution or filing of any paper or any further act on the part of the parties to this Agreement, unless otherwise required by the Issuer, and after the said effective date all references in this Agreement to the relevant party shall be deemed to be references to such successor corporation. Written notice of any such merger, conversion, consolidation or transfer shall be given as soon as possible to the Issuer and (following delivery of an Enforcement Notice) the Security Trustee by the relevant party.
