Risk Retention:

Pursuant to the Subscription Agreement, OSB will undertake to the Joint Lead Managers and the Arranger that it will (i) retain on an ongoing basis, the Retained Exposures as required by Article 6(1) of the Securitisation Regulation (which does not take into account any corresponding national measures), (ii) comply with the disclosure obligations under Article 7(l)(e)(iii) of the Securitisation Regulation by confirming the risk retention of the Seller as contemplated by Articles 6(1) and 6.3(c) of the Securitisation Regulation and (iii) not sell, hedge or otherwise mitigate (and shall procure that none of its affiliates shall sell, hedge or otherwise mitigate) the credit risk under or associated with the Retained Exposures except to the extent permitted under the Securitisation Regulation.

As at the Closing Date, such retention requirement will be satisfied by OSB retaining randomly selected exposures equivalent to no less than 5 per cent. of the nominal value of the securitised exposures, where such exposures would otherwise have been securitised in the transaction effected by the Issuer in accordance with Article 6(3)(c) of the Securitisation Regulation. Any change to the manner in which such interest is held will be notified to the Noteholders.

Except with the express written consent of the Seller in the form of a U.S. Risk Retention Consent and where such sale falls within the exemption provided by Section 20 of the U.S. Risk Retention Rules, the Notes or the Residual Certificates offered and sold by the Issuer may not be purchased by any person except for persons that are not Risk Retention U .S. Persons.
